

Debate Checklist

Each member of the group completes this separately.
Only one sheet is used by the teacher.

	Individual Member Response	Teacher Comments
Leader maintains organization among team.		
Leader involves all members and allows all members to participate.		
Group uses logical evidence to address points of controversy.		
Group effectively relates an accurate and thorough analysis of the energy source.		
Group respects other groups' opinions and recognizes the right to disagree.		
Group challenges other groups' thinking through sound argument based on valid research.		
Group calmly debates, allows other groups time to share information, and listens with an open mind.		

Note: Group leaders receive extra credit based on how well they manage their groups. Each group is responsible for appointing a group leader.
