

## Designing Effective Projects: Sequencing Activities Chain-of-Events Organizer

### Example of a Chain-of-Events Organizer

#### Chain-of-Events for *The Panchatantra Tale – The Blue Jackal*

This is a sample graphic organizer a student might create.

#### Fourth Event

One day when the blue Jackal is holding court, he hears a group of Jackals howling. He begins to loudly respond in his natural voice.

*Students could illustrate the event here*

#### Fifth Event

On hearing the howl, the lions and other animals immediately recognize that their king was after all a Jackal and not a Godsend, pounce on the blue Jackal and kill him.

*Students could illustrate the event here*
