

Rajesh Kumar

Intel Fellow, Intel Architecture Group
Director, Circuit and Low Power Technologies
INTEL CORPORATION

Publications

- » Invited paper (with Mark Horowitz), IEDM 2005 on future of power and CMOS process technology
- » Invited, ISSCC 2004 on Pentium 4 interconnect and signal integrity/ noise design
- » DAC 2003 on Pentium 4
- » Intel Technology Journal, 2001 on Pentium 4
- » 4 papers in DTTC on signal integrity, inductance, interconnect and power consumption in microprocessors. All of them won best paper awards
