Re: In re Intel Corporation, C.A. Nos. 05-md-1717, 05-441 and 05-485

Dear Special Master Poppiti:

We write on behalf of Dell Inc. in response to Intel and AMD's letters submitted earlier today regarding Intel's request for a reallocation of the time Your Honor allotted for depositions of the Dell employees. While we do not take a position on the allocation of time between the plaintiffs and Intel during the upcoming depositions, we simply write to request that Your Honor reject AMD's suggestion that additional time be added to the proposed time limits for Messrs. Allen, Clarke and Luecke's depositions. Rather, should Your Honor choose to increase the amount of time Intel is provided during the depositions, we ask that plaintiffs' time limits be revised consistent with the total number of hours for examination Your Honor originally allocated during the December 8, 2008 teleconference.

We are available should Your Honor have any additional questions or concerns.

Respectfully,

*/s/ Lauren E. Maguire*
