

and place as the parties may agree. The deposition will be recorded by stenographic and sound-and-visual (videographic) means, will be taken before a Notary public or other officer authorized to administer oaths, and will continue from day-to-day until completed, weekends and public holidays excepted.

Reference is made to the "Description of Matters on Which Examination is Requested" attached hereto as Exhibit A and incorporated herein by this reference. In accordance with Rule 30(b)(6) of the Federal Rules of Civil Procedure, AMD is hereby notified of its obligation to designate one or more officers, directors, or managing agents (or other persons who consent to do so) to testify on its behalf as to all matters embraced in the "Description of Matters on Which Examination is Requested" and known or reasonably available to AMD.

EXHIBIT A

EXHIBIT A

DESCRIPTION OF MATTERS ON WHICH EXAMINATION IS REQUESTED

I. DEFINITIONS

1. "AMD" shall mean and refer collectively to plaintiffs Advanced Micro Devices, Inc. and AMD International Sales & Service, Ltd., including their respective past and present officers, directors, agents, attorneys, employees, consultants, or other persons acting on either of their behalf.
2. "AMD product" means any AMD x86 microprocessor belonging to any AMD family of products beginning with the K5 family of products.
3. "Tapeout date" means the date on which a tapeout for an AMD product was scheduled to occur.
4. "Sample date and volume" means the date on which a test sample, including but not limited to production and preproduction samples, of an AMD product was scheduled to be completed or delivered to a customer or potential customer, and the number of test samples scheduled for completion or delivery.
5. "Shipment date and volume" means the date on which the first revenue shipment of an AMD product was scheduled for delivery, and the number of processors scheduled for delivery.
6. "Production volume goals" means a date forecasted by AMD and the total number of units of an AMD product that AMD planned to have produced by that date.
7. "Performance features" means any performance-related characteristics of an AMD product, including but not limited to frequency, performance per watt, instructions per clock, and benchmark performance.

II. SUBJECT MATTER

1. For each AMD product:
 - (a) AMD's initially-planned schedule of tapeout dates, any revisions to that schedule, and the reasons for any revisions;
 - (b) the tapeout dates that were communicated to any individual(s) not employed by AMD, any subsequent communications that revised those dates, and the reasons for any such revisions; and
 - (c) the actual dates on which tapeouts were completed, and the reasons for any differences between (i) those dates, (ii) the initially-planned or revised tapeout dates, and (iii) any tapeout dates that were communicated to any individual(s) not employed by AMD.

2. For each AMD product:
 - (a) AMD's initially-planned schedule of sample dates and volumes, any revisions to that schedule, and the reasons for any revisions;
 - (b) the sample dates and volumes that were communicated to any individual(s) not employed by AMD, any subsequent communications that revised those dates or volumes, and the reasons for any such revisions; and
 - (c) the actual dates on which samples were completed or delivered to customers or potential customers, and the actual volumes that were completed or delivered, and the reasons for any differences between (i) those dates or volumes, (ii) the initially-planned or revised sample dates or volumes, and (iii) any sample dates or volumes that were communicated to any individual(s) not employed by AMD.

3. For each AMD product:
 - (a) AMD's initially-planned schedule of shipment dates and volumes, any revisions to that schedule, and the reasons for any revisions;
 - (b) the shipment dates and volumes that were communicated to any individual(s) not employed by AMD, any subsequent communications that revised those dates or volumes, and the reasons for any such revisions; and
 - (c) the actual date of shipment for revenue, and the actual volume that was shipped, and the reasons for any differences between (i) the actual date and volume, (ii) the initially-planned or revised dates or volumes, and (iii) any dates or volumes that were communicated to any individual(s) not employed by AMD.

4. For each AMD product:
 - (a) AMD's initially-planned production volume goals, any revisions to those goals, and the reasons for any revisions;
 - (b) the production volume goals that were communicated to any individual(s) not employed by AMD, any subsequent communications that revised those goals, and the reasons for any such revisions; and
 - (c) the actual total volume of production by the dates on which AMD's initially-planned production volume goals were based, and the reasons for any differences between (i) the actual volumes, (ii) the initially-planned or revised volumes, and (iii) any volumes that were communicated to any individual(s) not employed by AMD.

5. For each AMD product:
 - (a) AMD's initially-planned performance features to be incorporated in that product, any revisions to those features, and the reasons for any revisions;
 - (b) the communications to any individual(s) not employed by AMD regarding the performance features to be incorporated in the product, any subsequent communications that revised those features, and the reasons for any such revisions; and
 - (c) the actual performance features incorporated in the product on its initial shipment date, and the reasons for any differences between (a) those features, (b) the initially-planned or revised features, and (c) any features that were communicated to any individual(s) not employed by AMD.
