

December 20, 2006

Dear Intel Customer:

Intel is announcing the discontinuance of the Intel® Server Board SE7221BK1-E. You have two (2) months to place final orders for the discontinued products, and four (4) months to take final delivery.

This notification affects the product codes included below:

Server Boards

- SE7221BK1 (base board, single pack)
- SE7221BK1LX (LX board, single pack)
- BBKBB (base board, 10-pack)
- BBKLXBB (LX board, 10-pack)
- Intel® Entry Server Platform SR1425BK1 and SR1425BK1NA

Server Board Accessories

- None

1. This product discontinuance notification is effective **December 20, 2006**.
2. Final purchase orders for the affected products must be placed by **February 28, 2007**.
3. The final quantity to be shipped must specify a customer request date (CRD) no later than **June 30, 2007**.

Final purchase orders are ***non-cancelable and non-returnable***, notwithstanding any conflicting terms in our quotes, purchase order acknowledgment or Distributor agreements.

Intel recommends the Intel Server Board S3000AH or the related Intel Server Platform as suitable replacement products. Please contact your local Intel Sales Office or distributor if you require more information or need assistance in selecting a replacement product. Details regarding these products are also available at <http://www.intel.com/go/serverbuilder>.

Sincerely,

Intel Enterprise Platforms and Services Marketing
